

Mind Body Baby Perinatal Collective

Collaborate • Support • Educate

What is the Collective?

The Perinatal Collective is an effort to create a village amongst practitioners, services, nonprofits and business serving individuals and families on the sometimes overwhelming journey of conception, through the postpartum period.

We come together to better serve those that need our support.

Why join the Collective?

We've developed this program to be mutually beneficial.

Part of our mission is to help families find the resources they need more simply - YOU - and the nominal fee you pay every year helps us to be able to continue our support programs.

WIN WIN!
